

## Wochenplan Englisch 04.05.2020

Liebe Schülerinnen und Schüler der Klasse 7, bis auf weiteres werdet ihr zu Hause lernen müssen. Wir müssen deshalb endlich im Buch weiter arbeiten. Ich habe letzte Woche diesen Plan verschickt. Er enthält die ersten Übungen aus Unit 4. E-Kurs-Schüler sollten alle Übungen machen während die G-Kurs-Schüler die Extra-Übungen weglassen können (graue Tabelle Seite 2). Ab dem 11.05. sollt ihr dann an Paket 2 arbeiten. Das werde ich aber noch für die Woche danach aufgeben. Ihr müsst Paket 2 also nicht bis zum 15.05. fertig haben sondern erst bis zum 22. Mai! Alle sollen aber ein Corona diary (=Tagebuch) machen: die Aufgabe findet ihr nach Paket 1.

## **Corona diary**

Auf der nächsten Seite folgt Euer Corona Tagebuch (diary). Ihr sollt zunächst aufschreiben, was ihr bisher alles Außergewöhnliches erlebt habt. Ich schreibe Euch gleich ein Beispiel aus meinem Leben. Ihr könnt gerne Teile davon übernehmen - leicht oder stark verändert. Versucht dann jeden Tag wenigstens einen Satz zu schreiben und zum Schluss noch ein Tipp: damit euch das Ganze nicht belastet konzentriert Euch auf lustige oder sogar schöne Dinge die passiert sind.

What happened so far: On Thursday, March 12 the schools and kindergartens in Germany started closing. That means from March 13 on I had my six children at home! I also had to work from home which is quite difficult with two three-year old children screaming for attention all the time. We made a schedule so that every adult and child over 10 years has to look after the three babies for one hour and then has an hour for work and an hour for relaxing. My oldest daughter does video conferences on Microsoft Teams, her two younger sisters use Cisco Webex and I had to install it all on their Laptops and Smartphones. They also needed help with their homework. I had to download files from the internet and print them. They sometimes had questions when they didn't understand their homework. Going shopping got more and more complicated and crazy. People started wearing masks, you had to keep a distance of 1.5 metres and use a shopping cart. Sometimes you had to cue in front of the shop before you could even get inside! We went to a big outdoor playground and the next day this was forbidden by the government! Fortunately we have a big garden with a swing, a trampoline and a treehouse where the children can play and don't have to stay inside and watch TV all the time.
